Properties may be amongst the worlds finest.	Deluxe ☺☺☺☺☺ An above average deluxe hotel with some outstanding features & broad range of services. May be distinguished due to design, style & amenities. The property grounds, decor, & furnishings are an upgrade in terms of style & class.	Moderate ☺☺☺☺ An adequately maintained first-class hotel with comfortable accommodations & public areas. These properties offer a sufficient level of service. Guest rooms & public areas are satisfactorily furnished & are comfortable.	Economy ☺☺☺ An economy tourist hotel which provides simpler accommodations & services. These properties meet a traveler's needs while offering moderate aesthetic enhancements in the property grounds, room decor, & quality of furnishings.	Basic ☺☺ A property for the budget minded traveler providing basic room amenities with diminished service.	Bed & Breakfast A modest B&B property mostly in domestic homes. Basic room facilities provided with self service kitchenette.	HOLY LANDS REVEALED'S Preferred Hotel Accommodations Most of our travelers use Deluxe or Moderate Hotel Accommodations as they provide the best quality for price. Some economy minded guests think a Bed & Breakfast is an option. We have found that the need of shopping and making one's own evening meals diminishes the touring experience.
