Hotel star ranking standards vary greatly form one land to another. So that you can rest assured of accommodations you'll enjoy while traveling

with ISRAEL REVEALED, bellow is a description of hotel classifications we use (with the US equivalent star ranking standard expectations).

#### **Luxury Class**

Equivalent to US \*\*\*\*

An expensive luxury upgraded deluxe hotel providing high standards of elegant accommodations & above average facilities. Fulfilling the guest's needs is the staff's primary objective. Properties may be amongst the worlds finest.

#### **Deluxe Class**

An average deluxe hotel with some outstanding features & broad range of services. May be distinguished due to design, style & amenities. The property grounds, decor, & furnishings are an upgrade in terms of style & class.

#### **First-Class**

Equivalent to US \*\*\*

An adequately maintained firstclass hotel with comfortable accommodations & public areas. These properties offer a sufficient level of service. Guest rooms & public areas are satisfactorily furnished & are comfortable.

#### **Tourist Class**

Equivalent to US \*\*

An economy tourist hotel which provides simpler accommodations & services. These properties meet a traveler's needs while offering mild aesthetic enhancements in the property grounds, room decor, & quality of furnishings.

#### Bed & Breakfast

A modest B&B property mostly in domestic homes. Basic room facilities provided with self service kitchenette. Usually breakfast is provided.

While traveling in the US, Tourist Class - 3 star hotel accommodations provide efficient & sufficient levels of service. In Israel, hotel properties are hand picked & offer you three Room Comfort Levels . . . Premium, Superior or Moderate (see descriptions). The comfort levels in Israel provide a good

balance between quality & price. In Egypt & Jordan, we insist on packages with Superior Room Comfort Level accommodations (equivalent to US Deluxe Class - 5 stair). In Turkey, the Moderate Level (equivalent to US First-class - 4

think a Bed & Breakfast in Israel is an option. Although this can be a way to save some money, we have found that added transportation to/from the group's hotel, shopping and making one's own morning/evening meals separate from the group's star) provides ample comfort. Some price minded guests arrangements diminishes the overall touring experience.
