Room Comfort Levels For ISRAEL REVEALED Programs & Add-on Packages

packages with Superior Room Comfort Level accommodations. In diminishes the overall touring experience.

While traveling in the US, Tourist Class accommodations provide efficient Turkey, the Moderate Level provides ample comfort. Some price & sufficient levels of service. In Israel, hotel properties are hand picked minded guests think a Bed & Breakfast in Israel is an option. Although this & offer you three Room Comfort Levels . . . Premium, Superior or can be a way to save some money, we have found that added Moderate (see descriptions). The comfort levels in Israel provide a good transportation to/from the group's hotel, shopping and making one's balance between quality & price. In Egypt & Jordan, we insist on own morning/evening meals separate from the group's arrangements
