

Room Comfort Levels For ISRAEL REVEALED Programs & Add-on Packages

While traveling in the US, *Tourist Class* accommodations provide efficient & sufficient levels of service. In Israel, hotel properties are hand picked & offer you three **Room Comfort Levels** . . . **Premium, Superior** or **Moderate** (see descriptions). The comfort levels in Israel provide a good balance between quality & price. In **Egypt & Jordan**, we insist on packages with **Superior Room Comfort Level** accommodations. In

Turkey, the **Moderate Level** provides ample comfort. Some price minded guests think a Bed & Breakfast in Israel is an option. Although this can be a way to save some money, we have found that added transportation to/from the group's hotel, shopping and making one's own morning/evening meals separate from the group's arrangements diminishes the overall touring experience.

Hotel star ranking standards vary greatly from one land to another. So that you can rest assured of accommodations you'll enjoy while traveling with **ISRAEL REVEALED**, below is a description of hotel classifications we use (with the US equivalent star ranking standard expectations).

Luxury Class	Deluxe Class	First-Class	Tourist Class	Bed & Breakfast
Equivalent to US ★★★★★½ An expensive luxury upgraded deluxe hotel providing high standards of elegant accommodations & above average facilities. Fulfilling the guest's needs is the staff's primary objective. Properties may be amongst the worlds finest.	Equivalent to US ★★★★★ An average deluxe hotel with some outstanding features & broad range of services. May be distinguished due to design, style & amenities. The property grounds, decor, & furnishings are an upgrade in terms of style & class.	Equivalent to US ★★★★★ An adequately maintained first-class hotel with comfortable accommodations & public areas. These properties offer a sufficient level of service. Guest rooms & public areas are satisfactorily furnished & are comfortable.	Equivalent to US ★★★ An economy tourist hotel which provides simpler accommodations & services. These properties meet a traveler's needs while offering mild aesthetic enhancements in the property grounds, room decor, & quality of furnishings.	A modest B&B property mostly in domestic homes. Basic room facilities provided with self service kitchenette. Usually breakfast is provided.
