

Comfort Levels For ISRAEL REVEALED Programs & Add-on Packages

In Israel, hotel properties are hand picked & offer you three **Comfort Levels** . . . **Premium, Superior** or **Moderate** (see descriptions). The comfort levels in Israel provide a good balance between quality & price. In **Egypt & Jordan**, we insist on packages with **Superior Comfort Level** accommodations. In **Turkey**, the **Moderate Level** provides ample comfort. Some

price minded guests think a Bed & Breakfast in Israel is an option. Although this can be a way to save some money, we have found that added transportation to/from the group's hotel, shopping and making one's own morning/evening meals separate from the group's arrangements diminishes the overall touring experience.

Hotel star ranking standards vary greatly from one land to another. So that you can rest assured of accommodations you'll enjoy while traveling with **ISRAEL REVEALED**, bellow is a description of hotel classifications we use (with the US equivalent star ranking standard expectations).

Luxury Class Equivalent to US ★★★★★½ An expensive luxury upgraded deluxe hotel providing high standards of elegant accommodations & above average facilities. Fulfilling the guest's needs is the staff's primary objective. Properties may be amongst the worlds finest.	Deluxe Class Equivalent to US ★★★★★ An average deluxe hotel with some outstanding features & broad range of services. May be distinguished due to design, style & amenities. The property grounds, decor, & furnishings are an upgrade in terms of style & class.	First-Class Equivalent to US ★★★★★ An adequately maintained first-class hotel with comfortable accommodations & public areas. These properties offer a sufficient level of service. Guest rooms & public areas are satisfactorily furnished & are comfortable.	Tourist Class Equivalent to US ★★★ An economy tourist hotel which provides simpler accommodations & services. These properties meet a traveler's needs while offering mild aesthetic enhancements in the property grounds, room decor, & quality of furnishings.	Bed & Breakfast A modest B&B property mostly in domestic homes. Basic room facilities provided with self service kitchenette. Usually breakfast is provided.
